CareMount Medical, ProHEALTH Care Associates, and Riverside Medical
Group (the “Practices”) are all physician owned and led practices having
complete authority for all medical decision-making and patient care through
their physicians and other licensed professionals. Optum, through its
management organizations (“Optum”) provides non-clinical administrative
services to support the Practices and their physicians. Neither Optum nor its
management companies employs, engages, or supervises physicians or other
licensed professionals, or determines or sets the methods, standards, or
conduct of the practice of medicine or health care provided by the Practices or
by any of their licensed professionals. “Part of Optum” reflects that the
Practices are part of Optum’s effort to support forward-thinking physician
practices in helping their patients live healthier lives.
